

QESH POLICY

Hyrax Oil is committed to consistently fulfil the highest expectation of our customers through the service and delivering of high-quality products without adverse impact to the environment, health and safety of our employees, contractors and visitors.

To fulfil this goal, we shall strive for:

- Consistently meeting the quality requirements of our customers along with the requirements related to environmental protection, health and safety concerns of employees, contract manpower and other stakeholders
- Continually improving of our processes and practices to achieve operational efficiency and improved environmental and occupational health and safety performance
- Compliance to all applicable legal and other requirements related to our quality requirements, environmental aspects and occupational health and safety hazards
- Setting and reviewing objectives and targets for continual improvement in plant efficiency, waste minimization, restricting emissions and discharges, and mitigating safety risks
- Preventing pollution, injuries and ill health from our products, activities and services
- Imparting structured training for employees and stakeholders for effective quality, environment and health and safety performance
- Encouraging communication, consultation and collaboration with all the stakeholders
